Property sold

LAKESIDE — A 17-acre property of the Ham Bros. Construction Inc. was sold to a Monterey Park pipe manufacturer for $5,385,000. The purchaser, Ameron Inc., will relocate from an existing facility on Mission Gorge Road in San Diego.

Ameron will produce 12- to 21-foot concrete pipes to be used in water or sewer transmission lines and storm drains.

Ken Kay, senior vice president of finance and administration for Ameron, said that the company will service a market need for the San Diego area.

He said he did not know whether the pipes would be used to transport reclaimed water.

George Ham, who co-owns Ham Bros. with his brother Bill, said that he has not yet picked out another site for his company, though it might be moved to another property that the brothers own in Lakeside.

"We had more property than we needed, and they had a need for a plant site," said Ham.

Ham Bros. has operated in Lakeside for the past 45 years.(laf)

Description:
Containing records for approximately 123 million Americans, the 1930 United States Federal Census is the largest census released to date and is the most recent census available for public access. The census gives us a glimpse into the lives of Americans in 1930, and contains information about a household's family members and occupants including: birthplaces, occupations, immigration, citizenship, and military service.
